Comments:

The parties discuss the status of the case following mediation's failure to resolve the case. Plaintiff expresses his interest in proceeding to trial. Plaintiff would like to retain counsel but is prepared to proceed pro se. The Court will recruit counsel on the Plaintiff's behalf but explains that may take three to four months. Plaintiff understands and accepts the Court's offer knowing that the recruitment process may take time. Counsel for defendants has no objection to the Court's proposed course. The Court will schedule an additional scheduling conference upon the recruitment of counsel.
